The profile of computer and Internet users

TABLE OF CONTENTS

	<u>page</u>
INTRODUCTION	1
CHAPTER I	
THE PROFILE OF COMPUTER USERS.....	5
v The Proportion of Computer Users in Urban Turkey	6
v The Proportional Weights of Socio Economic Strata Among Computer Users	7
v The Proportional Weights of Computer Users Among Socio Economic Strata.....	8
v The Weight of Upper Strata Among Computer Users Decreased Compared to 2000	9
v Computer Using is More Common Among Students	10
v The Proportion of Computer Users Among Students Compared to 2000.....	11
v Among Which Group Are There More Computer Users.....	12
v How Characteristic is Gender in terms of Tendency Towards Computers ?	13
v The Changes in Computer Using Level in terms of Age Groups Compared to 2000.....	14
v The Changes in Computer Using Level in terms of Education Level Compared to 2000.....	15
v The Changes in Computer Using Level in terms of Urban Strata Compared to 2000.....	16
v The Changes in Computer Using Level in terms of 20% Income Segments Compared to 2000.....	17
v How Many Households Have a Computer User in terms of Socio Economic Strata.....	18
v How Many Households Have a Computer User in terms of 20% Income Segments.....	19
v The Lifestyle Differences Between Computer Users and Non Users	20
v Driver's Licence and Automobile Ownership is More Common Among Computer Users.....	27

CHAPTER II
THE PROFILE OF INTERNET USERS 28

- ▼ The Proportion of Internet Users in Urban Turkey..... 29
- ▼ The Proportional Weights of Socio Economic Strata Among Internet Users..... 30
- ▼ The Proportional Weights of Internet Users Among Socio Economic Strata..... 31
- ▼ Did the Internet Users Change in terms of Their Socio Economic Structure Compared to 2000..... 32
- ▼ Internet Using is More Prevalent Among Students..... 33
- ▼ The Proportion of Internet Users Among Students Decreased Compared to 2000..... 34
- ▼ Among Which Group Are There More Internet Users ?..... 35
- ▼ How Characteristic is Gender in terms of Tendency Towards Internet ?..... 36
- ▼ The Changes in Internet Using Level in terms of Age Groups Compared to 2000..... 37
- ▼ The Changes in Internet Using Level in terms of Education Level Compared to 2000..... 38
- ▼ The Changes in Internet Using Level in terms of Urban Strata Compared to 2000..... 39
- ▼ The Changes in Internet Using Level in terms of 20% Income Segments Compared to 2000..... 40
- ▼ How Many Households Have an Internet User in terms of Socio Economic Strata..... 41
- ▼ How Many Households Have an Internet User in terms of 20% Income Segments..... 42

CHAPTER III

POTENTIAL GROUP WHICH COULD BUY COMPUTERS 43

- ▼ Despite That One Fourth of the Urban Turkey Households Has a Computer User
Most of These Households Do Not Have a Computer 44
- ▼ The Distribution of Potential Households Which Could Buy Computers
in terms of Urban Strata..... 45
- ▼ The Distribution of Potential Households Which Could Buy Computers
in terms of Socio Economic Strata..... 46
- ▼ The Distribution of Potential Households Which Could Buy Computers
in terms of 20% Income Segments..... 47
- ▼ Households That Have A Potential to Buy a Computer in the Coming Year..... 48
- ▼ Household Members That Consider Buying a Computer in the Coming Year..... 49
- ▼ The Characteristics of the Household Members That Consider Buying A Computer
in the Coming Year 50

CHAPTER IV

TENDENCY TOWARDS INTERNET..... 51

- ▼ Where Do They Use A Computer ?..... 52
- ▼ The Importance of Home and Workplace in terms of Computer Using..... 53
- ▼ Where Do They Use A Computer? 54
- ▼ Where Do They Have Access to Internet ? 60
- ▼ The Tendency Towards Internet Cafes Decreased Within the Last Two Years..... 61
- ▼ How often and With What Intensity Do They Use a Computer? 62
- ▼ Who uses Computers, How Often ? 63

▼ How Often Do They Have Access to Internet ?	69
▼ Tendency Towards Internet Increases According to the Frequency of Computer Using	70
▼ How Many Hours a Day On Average Do The Internet Users Stay Connected to the Internet.....	71
▼ How Do The Internet Users Perceive Internet’s Importance ?	72
▼ What Are The Most Important Characteristics of the Internet For Users?.....	73
▼ How Do The Internet Users Perceive Internet’s Importance in terms of Their Socio Demographical Characteristics	74
▼ Which Functions of the Internet Do They use?	78
▼ The Internet Functions Used Change Regarding the Places the Users Connect to Internet.....	79
▼ Utilized Internet Functions According to The Frequency of Using Internet.....	80
▼ The Types of Internet Users According to The Variety of the Internet Functions They Use	81
▼ The Types of Internet users and the Internet Functions They Use.....	82
▼ Which Group is More Active Internet Users ?	83
▼ Who Uses “E-mail” More Often ?	84
▼ How Often Do They Use “E-Mail”?	85
▼ Who Follows The News From The Web Pages of The Newspapers More Often?	86
▼ How Often Do They Access The Web Sites of The Newspapers?	87
▼ Internet Functions, Used More Frequently By Adults Compared to Young People.....	88
▼ Internet Functions, Used More Frequently By Young People Compared to Adults.....	89
